MELCHERS

Competence in
Machinery,
Spare Parts and
Industrial Material Supply
Backed by After Sales Service

"Our Business is to make your business a success"

Industrial Coding Solutions

CMC offers printing solutions by Domino who are known for their quality, rugged and innovative build superior design and ultimately being able to simply "Do More" through the extensive range of products in the market.

- ▶ Continuous Inkjet Printers – A Series
- ▶ Large Character Coding – C Series.
- ▶ Thermal Transfer Overprinters – V Series
- ▶ Thermal Inkjet Printers - G Series
- ▶ Laser Coders - D Series
- ▶ Print & Apply - M Series
- ▶ Print Scanning & Rejection Systems
- ▶ Weighing & Printing Systems
- ▶ Traverse Printing Systems

Plastic Machinery

CMC is the market leader for supplying machinery to the plastic industry covering the whole spectrum: from rigid and flexible consumer & industrial packaging to solutions for variety of auxiliaries, recycling as well as other products.

- ▶ Injection Molding from "HAITIAN"
- ▶ Auxiliary Equipment from "SHINI"
- ▶ PET Blow Molding Machines from "SIDEL"
- ▶ Film Blowing Machines from "KWEENB"
- ▶ Bag Making Machines from "PLAS ALLIANCE"
- ▶ Pipe Extrusion Machines
- ▶ Plastic Recycling Machines
- ▶ Laboratory Equipment for Plastic & Rubber from "BRABENDER"

Bottling / Canning Plants

With more than 35 years of experience, we offer complete lines to the beverage industry and food producers including process technology, filling technology, packaging machines, starting from individual units like linear or rotary monoblocks, capping and labeling systems to the complete lines.

- ▶ Rinser / Filler / Capper of PET / Glass Bottles
- ▶ PET / Glass Bottle Washer
- ▶ Shrink Sleeve Applicators
- ▶ Bottle Inspection Systems
- ▶ UV Sterilizing Systems
- ▶ Carton Palletizer
- ▶ Automatic Palletizer & Depalletizer

Packaging SME Enterprises

CMC supplies small and medium scale enterprises, cost-effective semi-automatic packaging machines for many applications such as filling, sealing, capping, labeling and wrapping. Our experts will consult you and conduct free demonstration on site to make you understand the technology and the benefits for your business.

- ▶ Continuous Sealing Machines
- ▶ Vacuum Packing Machines
- ▶ Shrink Tunnel & L Bar Sealer Machines
- ▶ Strapping Machines
- ▶ Induction Sealer Machines
- ▶ Carton Taping Machines
- ▶ Solid Ink Coding Machines (Date Printer)
- ▶ Semi Auto Liquid & Paste Filling Machines

Food Processing

The field of processing raw fruits, vegetables, grains, meat, fish and dairy products into finished goods is wide and complex. Therefore, we assist with the planning of your production plants from raw material handling to processing and modern packaging systems for the complete supply of finished products.

- Fish, Meat & Sausage Processing Machinery
- Convenience Food & Snack Processing
- Chocolate, Biscuits & Confectionery
- Spice Processing Lines & Grinders
- Breweries & Distillation Plants
- Coconut Milk, Oil & Water Lines
- Dairy Youghurt, Cheese & Ice Cream Lines

ECOLAB - Food & Beverage

We provide unparalleled expertise and a comprehensive set of solutions that help increase food safety and product quality, enhance sustainability and boost operational efficiency for food & beverage processors, brewers and manufacturers of dairy products.

- Cleaning and Sanitizing Solutions
- Foam Cleaning Technology
- Returnable Glass Bottle Cleaning Additives
- Conveyor Lubrications for Brewery and Beverage Industry
- Specialty Products for Cleaning in Place (CIP)

Packaging

CMC supplies a wide range of Modern packaging Solutions for various industrial segments in the growing food market.

- Fully Automatic Form Fill & Sealing and Semi Auto – Vertical and Horizontal Machines for Liquid, Powder, Granular, Paste & Tablets.
- Heavy Duty Single, Double, Brick Shape Vacuum & Thermoforming Packing Machines.
- Flow Wrapping, Candy Packing & Cellophane Over Wrapping Machines.
- Shrink Wrapping Systems
- Premade -Stand up, Zipper & 4-side Seal Packing Machines.
- Bulk Product Filling, Sealing and Packing Machines.
- Corrugated Box & Inner Box Erecting and Case Taping
- Tea Bagging & Check Weigher Machines.
- Machine Supporting Accessories – Bucket and Belt Elevators, Screw Feeders, Conveyors, Vibro Feeders etc.

ECOLAB - Institutional

Ecolab is the global leader in water, hygiene and energy technologies and services. Around the world, businesses in the food service, food processing, hospitality, healthcare, industrial, and oil and gas markets choose Ecolab products and services to operate efficiently and achieve sustainability goals.

- **Laundry** - From on premise to commercial laundries, we offer comprehensive solutions that deliver great results and efficient operations.
- **Housekeeping & Janitorial** - We help ensure clean, safe and healthy environment with comprehensive offerings that provide a positive experience for everyone who visits your facility.
- **Kitchen** - Our comprehensive offerings help keep commercial kitchens clean, safe and healthy.
- **Restroom** - Spotless, germ-free restrooms keep guests happy and healthy.

Seed Processing

CMC is a strong partner when it comes to seed and grain technological concepts whether it is a small machine or turnkey solutions.

- Seed Cleaning & Classifying Systems
- Seed Treating & Separators
- Seed Extractors
- Colour Sorters
- Mobile Plants
- Gravity Separators
- Seed Film Coating

Dehumidifiers / Dryers

CMC offers a variety of solutions to the most complex humidity / moisture control needs across diversified industries like food, pharmaceutical, garment and many more.

- Custom Designed Dehumidifiers from "Bry Air"
- Adsorption Chillers / Gas Phase Filtration from "Bry Air"
- All Types of Food Dehydration Systems
- Evaporative Coolers / Compress Air Dryers

Automation & Fabrication

CMC is specialized for fabrication of stainless-steel pipelines in the food industry. Furthermore, we also supply conveying systems for material handling.

- Modular Chain / Flat Belt / Slat Conveyors
- Screw Conveyor, Pneumatic / Vacuum Conveyor
- Bucket Elevator
- SS Piping & Fabrication Works
- Industrial Pumps
- Supporting Structures & Mounting Platforms

Machine Tools

CMC offers the perfect solution in top quality including service & support from latest technology maximizing output and quality.

- CNC Machining Centers
- CNC Lathe Machines
- CNC/NC EDM Machines
- CNC Wire Cut EDM from "SSG"
- Conventional Machines from "EASTAR"

Pharmaceutical

CMC provides solutions and services for the processing, production and packaging of all types of pharmaceuticals in liquid, solid or semi-solid form. Furthermore, we can assist customers who produce active pharmaceutical ingredients and cosmetics. In addition to that, we can provide air handling as well as air treatment solutions for the pharmaceutical manufacturing and storage facilities.

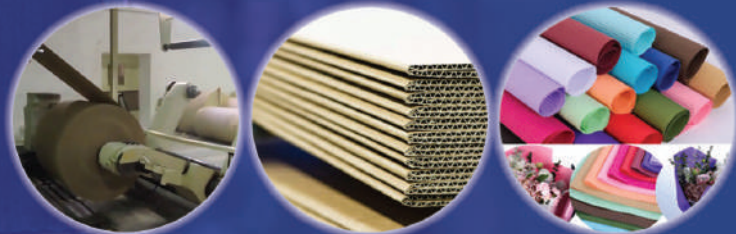

- Liquid Processing & Filling Solutions
- Powder Manufacturing, Processing, Blending and Packaging Solutions
- Liquid Special Blow-Fill-Seal
- Solid & Semi-Solid Processing & Packaging Solutions
- Tableting, Capsule Manufacturing and Packaging Lines

Paper & Corrugated

CMC supplies a wide range of modern paper & corrugated machinery solutions to various segments in consumer-related industries as well as the food & construction industry.

- Corrugated Board Making from "Ming Wei"
- Box Making, including Printing from "Ming Wei"
- Cement & Tea Bag Making Machines (Bulk Pack)
- Paper/ Non-Woven Bag Making & Printing Machines
- Paper Serviette Making Machines
- Paper Recycling Machines
- Composit Can Manufacturing
- Exercise Book Making

Export

The Melchers Group (www.melchers.com) network of 50 subsidiaries in Germany and abroad enables us to fall back on a stable sales and marketing network which ensures access to your customers. We develop your brands in Europe and ensure that your products are available everywhere at all times. We also maintain regular personal contact with your customers.

Market Expertise:

- ▶ Food & Beverage
- ▶ Apparel & Garments
- ▶ Spice & Allied Products
- ▶ Commodities (Bulk & Retail)

Special Projects

The Special Project division is in charge to introduce new products and technologies to the Sri Lankan market. In order to overcome future national challenges faced as a country or specific industry, we have no limitations besides the selection of high-end products / technologies.

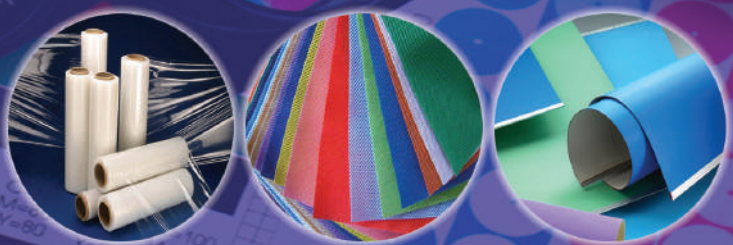

- ▶ Intelligent Cooling Solutions for HVAC & Process Cooling from "Frigel" (www.frigel.com) - Italy
- ▶ Electrostatic Spraying for Agriculture and Public Health from "Martignani" (www.martignani.com) - Italy
- ▶ Supplier of Inflight Service Items from "Aviva Aviation" (www.aviva.aero) - Germany
- ▶ Incinerators & Waste Recycling Systems
- ▶ Theme Parks & Entertainment Systems

Printing , Graphic & Packaging Paper

We have expertise across the entire printing process - from prepress to postpress. Our product portfolio ranges from offset and digital to narrow web printing machines, including all peripheral equipment, spare parts and consumables. Also we supply heat sealable as well as non heat sealable tea bag filter paper. It can be either making single wall or double wall filter bags.

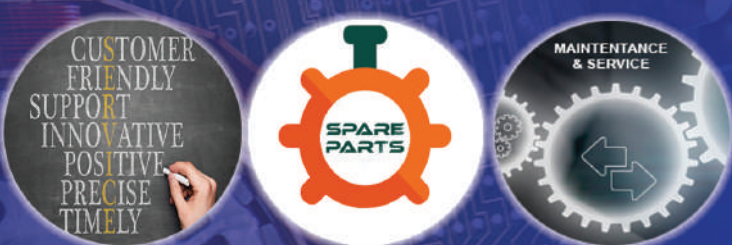

- ▶ Printing Blankets from "Phoenix"
- ▶ Calibrated Paper
- ▶ Printing Chemicals
- ▶ Printing Machine Accessories
- ▶ Shrink Film
- ▶ Polyester Film
- ▶ Tea Bag Filter Paper

After Sales Service

Quality maintenance is part of CMC customer care management, which keeps your machines up and running with a minimum of downtime. We handle a wide range of services, from site preparation, installation and commissioning to start ups and repairs. Our team of committed specialist is dedicated to keeping your machines running in top conditions throughout the entire life cycle.

- ▶ Knowledge of machinery processes in many different industries gives us the edge when it comes to machine maintenance and spare part supply
- ▶ Around-the-clock service support through our qualified engineers
- ▶ Storage & Service facilities for maintenance and repairs
- ▶ Customer Training on process & machine troubleshooting

CMC Engineering Export GmbH

Colombo branch

CMC Engineering Export GmbH

Since 1981, we serve the Sri Lankan market by importing leading technologies from Europe and Asia with a strong commitment to quality and service. As part of the Melchers Group with over 50 subsidiaries and 150 years experience in Asia trading, we share the expertise, reliability and financial stability of a strong group.

Our dedicated specialists offer industrial materials, machines, spare parts as well as chemicals to a wide range of industries. Quality maintenance is part of CMC Engineering's customer care management which keeps your machines running in top condition throughout the entire life cycle. We handle a wide range of services including the following:

- Installation, start up and commissioning of machines
- Warranty and repair services
- Product and application-training for the end user

Melchers Group

Headquartered in Bremen (Germany), the Melchers Group has been a private, owner-managed partnership since 1806. Thanks to our strong capital base, we are able to do business freely and independently on the international markets.

With our experience and expertise, we can offer you support and assistance as you develop your sales or procurement markets. Our services cover the entire value chain – from product development and manufacture through sales and retailing to marketing after-sales service. Other areas of business include importing and exporting to and from Asia and internal trading within Asia.

The Melchers Group operates directly at local level throughout Asia. Below please find our network of branch offices in Asia:
